8. Create an infographic in Figma explaining the concept of Public Land Mobile Network (PLMN)

PROCEDURE:

1. Open Figma and create a new design file.
2. Create a frame with a light-gray dotted background.
3. Add the title “Public Land Mobile Network (PLMN).”
4. Draw boxes for Mobile Station, Base Station, Mobile Switching Centre, and Public Telephone Network.
5. Connect the boxes using arrows to show the communication flow.
6. Add short labels explaining each component.
7. Use simple colors and align the components neatly.
8. Save the infographic.

OUTPUT:

Result:

An infographic explaining the structure and components of a Public Land Mobile Network was created using Figma.
